An Update Regarding Westbury Bank Branch Availability

As the Coronavirus (COVID-19) continues to have an increased impact on our communities, we want you to know that we are monitoring the situation closely and are following updates and guidelines provided by the Centers for Disease Control and Prevention (CDC) to keep our employees and customers safe and healthy.

That said, in light of the continued developments of this situation, Westbury Bank has made the decision to temporarily suspend lobby access at our branch locations. These changes will go into effect on Tuesday, March 17, 2020. These decisions are not taken lightly and while we recognize that this decision impacts our employees, customers and business operations, we are choosing to restrict access as safety and well-being are our top priority.

Drive Thru and Night Deposit Box

Our drive thru services continue to be available during regular business hours in which most banking services can be completed. The night deposit box is also available and will be checked throughout the business day for deposits, payments or documents you wish to drop off.

In-person Meeting

If there is business that you need to conduct with a Westbury Bank Relationship Banker, please contact the branch office to inquire about making an appointment. We are happy to accommodate your needs or make other arrangements during this time.

Online and Mobile Banking

We encourage you to manage your accounts using online and mobile banking. These services allow you to manage your accounts 24/7 including checking your balance, viewing transactions, making payments or deposits, find an ATM and more.

We will post updates via email and on our website. As always, you are welcome to call us at 800-719-4656 or contact a branch office. Below is a list of Westbury Bank branch offices, contact numbers and availability.

We always value your business, but more importantly, we value your health. Thank you for your patience during this time and we look forward to seeing you when we re-open our doors.
